WORK EXPERIENCE

Cybersecurity Maturity Assessment Intern, NDIT

Summer 2025

- As part of an internship with NDIT, I assisted with conducting audits of various state agencies to confirm their compliance with the CIS controls in accordance with NDIT policies.

Student Embedded Tutor, Bismarck State College

Fall 2025

- As an embedded tutor, I help students work through their confusion on course content, as well as troubleshoot technical issues

EDUCATION

Bismarck State College, Bismarck, ND

Spring 2027

Bachelor of Applied Science, Cybersecurity and Information Technology, GPA: 3.83

Relevant course work:

- A+ Computer Hardware
- Windows Active Directory
- Intermediate Networking

PROJECTS & EXTRACURRICULAR

Personal VPN Tunnel

2023

- Manually built a personal VPN tunnel to my home network using free and open-source utilities and standards like OpenVPN, OpenSSL, and X.509 PKI.

National Cyber League

Fall 2023 - Present

- Earned Top Player designation (Top 5%) in Fall 2023, Spring 2024, Fall 2024, and Spring 2025 Individual Game competitions.

BSC CyberClub

Fall 2023 - Present

- Participating member of the BSC CyberClub and have attended every club meeting since I joined.
- Led group sessions to prepare club members to compete in the National Cyber League season.

CyberMadness Competitor

2022, 2023

- Participated in the nation's first High School cybersecurity competition as a team.
- Placed 4th and won a scholarship in 2022; placed 5th in 2023.

CyberMadness Volunteer

2025

- Contributed to the setting up of network infrastructure for the 2025 CyberMadness competition.
- Worked with VMware ESXi to configure virtual machines for the competition.

SKILLS

- Advanced VPN security and troubleshooting
- Summarization of technical concepts
- Strong interpersonal communication
- Active Directory domain troubleshooting
- Cisco router and switch configuration
